Kronen Food Processor
KC Nako 8 & 12 L

INTEGRATED BOWL SCRAPER
The robust polycarbonate lid with feed hopper and integrated scraper allows better mixing in the bowl and thus better homogenization for even more uniform processing.

HIGH CENTER AXIS
The high axis of the bowl allows perfect work with liquid food, texture-modified food and ideal for healthcare facilities.

EXTRA LOW-LYING KNIFE
Complete series for small or larger needs, high quality, reliable and durable, completely made of heavy-duty stainless steel.

USER-FRIENDLY HANDLES
On the bowl for comfortable and easy handling.

HEAVY DUTY MOTOR
Extremely powerful 4 kW motor for very high reliability and durability.
