Kronen Food Processor
KC Nako Plus+ Serie

INTEGRATED BOWL SCRAPER
The 2.5 cm thick polycarbonate lid with feed hopper and integrated scraper allows better mixing in the bowl and thus better homogenization for even more uniform processing.

HIGH CENTER AXIS
The high axis of the bowl allows perfect work with liquid food, texture-modified food and ideal for healthcare facilities.

COMPLETELY MADE OF HIGH-QUALITY STAINLESS STEEL
No aluminum or plastic. All attachments can be removed in seconds and can be cleaned in the dishwasher.

EXTRA LOW-LYING KNIFE
with micro-serrated blades for processing small and large quantities. The blades are easily removable and replaceable.
